What is the purpose of your Study Project? (describe briefly)

What are your learning objectives? (List)

What is the relevance of this Independent Study to your educational program for this degree?

In what way are the current course offerings in the University inadequate to meet these objectives?

How do you plan to carry out your project?

What is your time schedule for achieving these objectives?

How will your faculty work with you?

How will grading be accomplished?

If the Independent Study involves research that requires review by the Human Subjects Review Committee, a copy of the approved appropriate Human Subjects Review Form or letter of approval from the Chair of the Human Subjects Review Committee must be attached to this form.
